19th October 2021

Dear Parents/Carers

Firstly, I would like to take this opportunity to thank you for all of your support during this past term. Despite the challenges, this term has been extremely positive and your children have done themselves and you proud.

I wanted to keep you updated with information from the UK Health Security Agency:

"UK Health Security Agency (UKHSA) have been made aware of some areas reporting positive LFD test results with subsequent negative PCR tests and are currently looking into the cause. Whilst the UKHSA investigation is under-way, we advise that if a pupil or staff member has been in close contact with a positive case (such as a household member) or has displayed COVID-19 symptoms and has tested positive on an LFD (but subsequently tested negative on a PCR), they are treated as potentially infectious. We recommend they isolate and remain out of the setting, for 10 days."

As you are aware we always follow guidance and have now requested that our students wear face coverings in corridors and in any crowded places. We will continue with this and our usual high standard of cleaning and sanitising after half term.

Please contact the school if your child is unwell or if you have any questions.

The new term starts on Monday 1st November. This is not an INSET day so all students are expected in on that day.

Please make sure your child does an LFT on Sunday evening. Test kits will be sent home with your child.

Thank you once again for working closely with us to support your child and I wish you all a lovely break.

Kind regards

Mrs J Buckingham
Principal
