

Noun or no Noun

Noun or no noun

- This is a team game.
- Teams take turns. Each team gets three goes.
- When it's your team's go – you pick a box.
- The box will reveal a sentence, and single out one of the words. You have to say if it is a Noun – or if it isn't.
- If you're right, then you can have up to 3 goes. If you are wrong, then your go is over.
