

# Manners Matter & Our Wonderful Reward Shop!

Manners Matter is our brand new incentive for the students to show off their lovely polite manners in order to gain a reward at the end of the day. It can be a simple 'Good Morning' or it could be holding open the door for a staff member or another student. Whoever has the most 'Manners Matter' slips in their tutor group by the end of the day will receive a prize when they leave school. This could include books, sweets and funky pencils. We know all our students have lovely manners so it's time to celebrate them and show them off!

As well as rewards at the end of the day, our new points system allows our students to spend their points as and when they have the right amount for the prize they choose. Each student has the option to either hold onto their points and store them up for the highest prize or to trade them in for smaller prizes such as fidget toys or a cinema voucher. Points are given to students for meeting classroom expectations. We have some great prizes the students can pick from such as headphones, make-up hamper and video game vouchers, the choice is theirs!

If you're child has been on the go kart then I am sure you will have heard all about it! Our go kart can be used during break and lunchtimes by students who have managed to gain enough points. We have been so impressed by our students return to school that we have ordered three new Go Karts. Well done and remember 'Manners Matter' and collect your points!
